

BROTHER MOON

Brother moon
Shine down your light on us tonight
Show us the love of God
Sister sun you bring out the day

You're shining the light of God on
your face today
Maker of it all
You provide it all
In You we live

In You we move
In You we have our being
You're glorious
You're holding us together all
together

Brother wind your clouds and your
storms
You're breathing the breath of God
in your lungs for us
Mother earth, you're giving us life
With God's open hand you always
provide for us

Maker of it all
You provide it all
In You we live
In You we move
In You we have our being
You're glorious
You're holding us together all
together
You are everything good, you are
everything beautiful
You are everything, you're
everything

GRAVITY OF LOVE

I lift my eyes up to the hills
This my morning song
Where my strength comes from
I lift my eyes up to the hills
This my evening song
Where my help comes from

This is the gravity of love
Just as the moon follows the sun
You're all around me
You're holding ev'rything
This is the hope of ev'ry land
Just as the universe expands
Your love is reaching
You're holding ev'rything

We lift our eyes up to the hills
When will our help come
Lord we cry how long
We lift our eyes up to the hills
Even as we run
Hope is chasing us

HOUSE OF GOD FOREVER

God is my shepherd
I won't be wanting
I won't be wanting
He makes me rest in fields of green
With quiet streams
Even though I walk through the
valley

Of death and dying
I will not fear 'cause You are with
me

You are with me

Chorus

Your shepherd's staff comforts me
You are my feast in the presence of
enemies

Surely goodness will follow me
Follow me

In the house of God forever
(In the house of God forever)
(In the house of God forever)

Verse 2

God is my shepherd
I won't be wanting
I won't be wanting
He makes me rest in fields of green
By quiet streams
Even while I'm walking through the
valley

Of death and dying
I will not fear 'cause You are with
me

You're always with me
